Fusion Announces 2017 Summer Camps for kids 3 and up

Organization to host summer camps in June, July and August across Ventura County.

Summer is around the corner and so are the award winning Ventura County Fusion soccer summer camps. As every year for over a decade VC Fusion hosts the family friendly and all ages camps for boys and girls ages 3 and up, this year once again top college players from around the globe and our own PDL team coaches will be teaching not only soccer skills, but a lot more. VC Fusion summer soccer camps are designed for youth players to have fun and develop their soccer skills no matter how advanced or new to soccer they are.

For younger players the focus is on technical aspects of the game by using Story Book techniques. The camp will not only introduce and develop basic skills, but are devised to nurture a love for the game. For older players the focus is on the fundamentals of soccer with ball familiarity, unopposed activities progressing to small sided games. This "learning through games" process focuses on technical aspects (i.e. dribbling, passing, shooting) and progresses into group and team related activities.

Fusion soccer camps empower each child to reach his or her maximum potential through customized, one-on-one instruction. Beyond skills, soccer camp participants also learn the value

of good sportsmanship and friendly competition, while being able to meet new people and make friends from around the world in a fun atmosphere that fosters rewarding relationships, in-depth knowledge, and improvement.

VC Fusion summer soccer camps last 5 days and go from First Kick ages 3 to 4 with 1 hour a day sessions, Mini Kick ages 5 with 1 and a half hour sessions all the way to the more advanced participants with the Half Day Premier for ages 6 to 12 and 3 hours per day sessions.

First week camp in Ventura starts June 19th and run all the way to August 11th. In Oxnard VC Fusion soccer camp will run July 17th to 21st and Camarillo from July 31st to August 4th.
