About The Ventura County Fusion

Based in Ventura, California, the Ventura County Fusion is a widely successful, world-class soccer franchise, and participant in the Western Conference's Southwest Division of the Premier Development League (PDL), an official operation of United Soccer Leagues (USL). Now in its ninth year of operation, Fusion has been a trendsetter in the western US, winning three division titles, reaching the playoffs for seven consecutive seasons, and claiming the PDL Championship in 2009. The Fusion's roster includes members of the U.S.'s Under 20 National Team, players from well-respected NCAA Division I university programs, and highly touted standouts from international squads throughout the world. In addition to PDL play, the Fusion has competed in the Lamar Hunt U.S. Open Cup each of the last five years, and in 2015 became the first PDL franchise to win a US Open Cup match in five consecutive years.

Over the years, the Fusion have taken on some of the top teams in England in exhibition matches, meeting Manchester City, Everton, and Swansea, among others, in Southern California-based friendly games. In July 2014, Fusion earned arguably its most famous victory, beating one of Britain's great clubs, Rangers FC (Glasgow Scotland), 3-1 in a friendly match at Ventura College.

Other past friendly opponents include the Mexico U-17 National Team, Chivas Guadalajara, Club Tijuana, and a host of Liga MX teams, as well as top-flight clubs from Sweden, Argentina and Japan. To say the least, this franchise prides itself on bringing world-class soccer to Ventura County. The Fusion have helped to build Ventura County into a preseason training hub for Major League Soccer teams from throughout North America. The Fusion have played exhibition matches against more than half the teams in Major League Soccer, hosting many of the same teams for two weeks during preseason training.

The Ventura County Fusion is far more than just a PDL franchise, as the organization offers a broad range of soccer instructional programs, including camps, schools, free clinics, and a youth club academy, specifically designed for players of different experience levels.
