Introducing First Kicks • Ages 3 to 5 (Pre - K) • 45 minutes per week

A fast paced non-competitive dynamic soccer program designed for kids to have a fun introduction to soccer. The program focuses on technical aspects of the game by using Story Book oriented games. The sessions will not only introduce and develop basic techniques, but are devised to nurture a love for the game.

Sessions meet once a week and range from 30-minutes in length for Mommy and Me class, 45-minutes for First Kicks and one hour for Development and Premier, catering to specific age groups consisting of a small coach-child ratio that maximizes individual development.

Program Mission

Fusion First Kicks is a highly creative program that offers age-appropriate activities that serve as an introduction to soccer and help children overcome development milestones. The program focuses on children's growth both on and off the field by helping them build strong physical,

intellectual and emotional skills.
