

# Shooting & Finishing Program

## **Shooting & Finishing Camp**

Curriculum will focus on one of the most exciting aspects of the game: Creating chances and scoring goals. This is not just for forwards; its is for any player who wants to improve their attacking and shooting skills. Small group sessions are set up to challenge individuals in repetitive game situations where attacking players need to excel in but not limited to: Long distance shooting, combination play, 1v1's shooting in the box, crossing and finishing and striker movement. Attacking players will learn different finishing techniques such as shooting off the dribble, volleys, heading etc.
